

## **Choose a Career that suits your lifestyle!**

The Installation team at PBS Systems is seeking a new member to join our talented, enthusiastic, goal oriented group. We are based in South East Calgary, and provide the opportunity to travel across North America and other countries!

In the role of a Lead Implementer/Trainer, travel is a large part of your job, approximately 2 weeks per month. Your career will involve both onsite and remote training before, after and during the software installation process as well as support to our existing clients while you are not on the road.

### **Desired Skills and Attributes:**

- Leadership
- Strong organizational skills
- Automotive Dealership experience is a benefit
- Strong understanding of Microsoft Windows products
- Valid driver's license
- Have a valid Passport and able to travel 2 weeks per month (possibly more during the initial training time)
- Exceptional communication skills
- Strong team player
