

VOLKSWAGEN INTRODUCES

E-LEADS

We are pleased to announce that Volkswagen Canada and their website provider, DMT Development Systems Group Inc., have certified PBS Systems Inc. for their new Electronic Leads program. PBS can now import Volkswagen website Leads automatically from the Volkswagen website to your Aristo Prospecting Module.

If you are not already using the PBS Aristo Prospecting Module, please contact your Customer Communication Team at PBS today at 1-800-665-6304, ext 190. They'll provide you with a demo of this exciting showroom tool!
