

## **Comdata Announces Integration Partnership with PBS Systems**

**December 14, 2018, BRENTWOOD, TN.** – Comdata, a FLEETCOR company (NYSE:FLT) and leader in corporate payment innovation, announced that it has recently partnered with marquis Automotive DMS provider, PBS Systems. Users of PBS Systems can now make secure, electronic payments to their vendors directly through their accounting system, utilizing Comdata’s Virtual Card for AP solution.

“We are excited to partner with PBS Systems,” said Chris Shanahan, SVP of Strategic Partnerships for Comdata. “This company has established a solid user base, and by integrating with Comdata’s virtual card, we can continue to see growth within our organization as well as our partner’s organization.”

PBS Systems, based in Alberta, Canada, is an Automotive DMS provider, servicing and supporting dealerships throughout the United States and Canada.

“PBS is excited to work with Comdata, their electronic payments solution is industry leading. Integration with the PBS DMS, v10, will bring a higher level of efficiency and profitability to our joint customers.”

– Lynn McNeill, SVP of PBS Systems
